PREGNANCY CLEARANCE FORM

This patient is requesting a service offered by our wellness spa (IV Therapy and Vitamin Injections). Based upon the health history that the patient provided to us, we require medical clearance for our services for patients who are currently pregnant. Please review and select the services your patient may receive based upon your assessment(s) of health history, medications and exam.

PLEASE attach any supporting documents including chart notes, lab work and any additional prescription(s) as necessary.
